# OUR ROOTS

*When we first started business, we were operating as **one of the first** ENVIRONMENTAL CONSULTANTS and verifiers in Germany. The symbolism of A TREE incorporated within A WHEEL represented “**Industry in harmony with the environment**” these are the ROOTS OF OUR BUSINESS.*

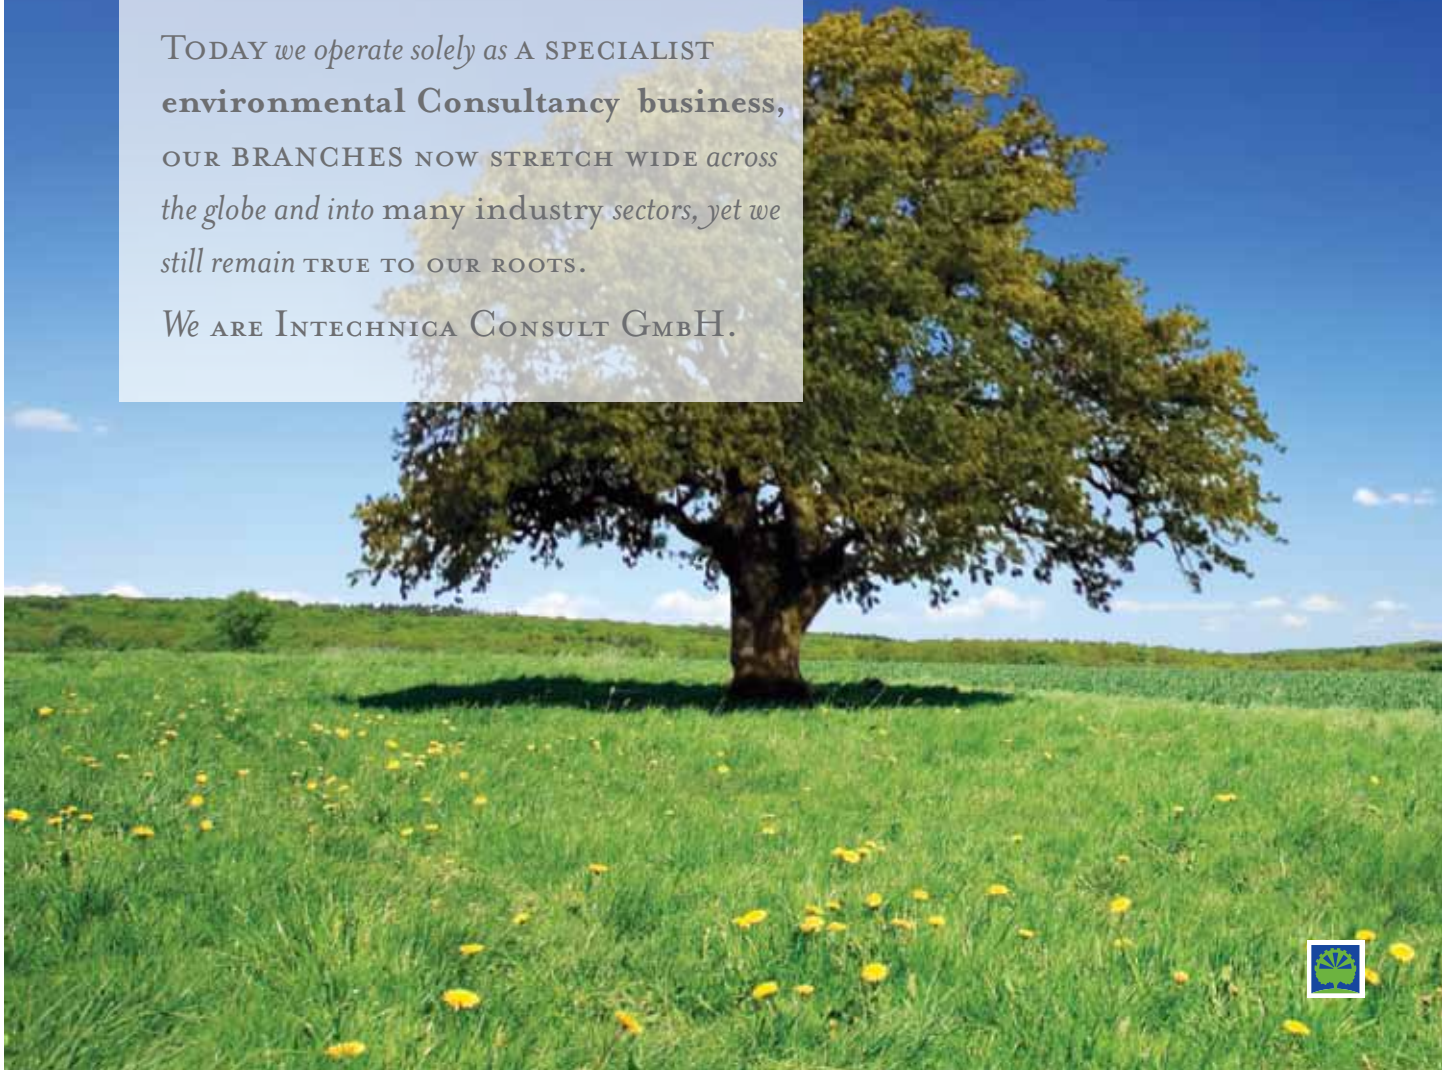

# OUR BRAND

TODAY *we operate solely as* A SPECIALIST **environmental Consultancy business**,  
OUR BRANCHES NOW STRETCH WIDE *across*  
*the globe and into many industry sectors, yet we*  
*still remain* TRUE TO OUR ROOTS.

We ARE INTECHNICA CONSULT GMBH.

# OUR VISION

*We are DEDICATED to making the future secure – for business, for workers, for future generations and for the planet.*

# GLOBAL

*We pay local attention, to  
a GLOBAL INTENTION*

*We are committed to creating solutions for every aspect of cause and influence that could impact our clients' operations. Wherever they are located in the world, and however their business affects it, our strategy is to make them 'FIT FOR THE FUTURE', economically, environmentally, socially and legally.*

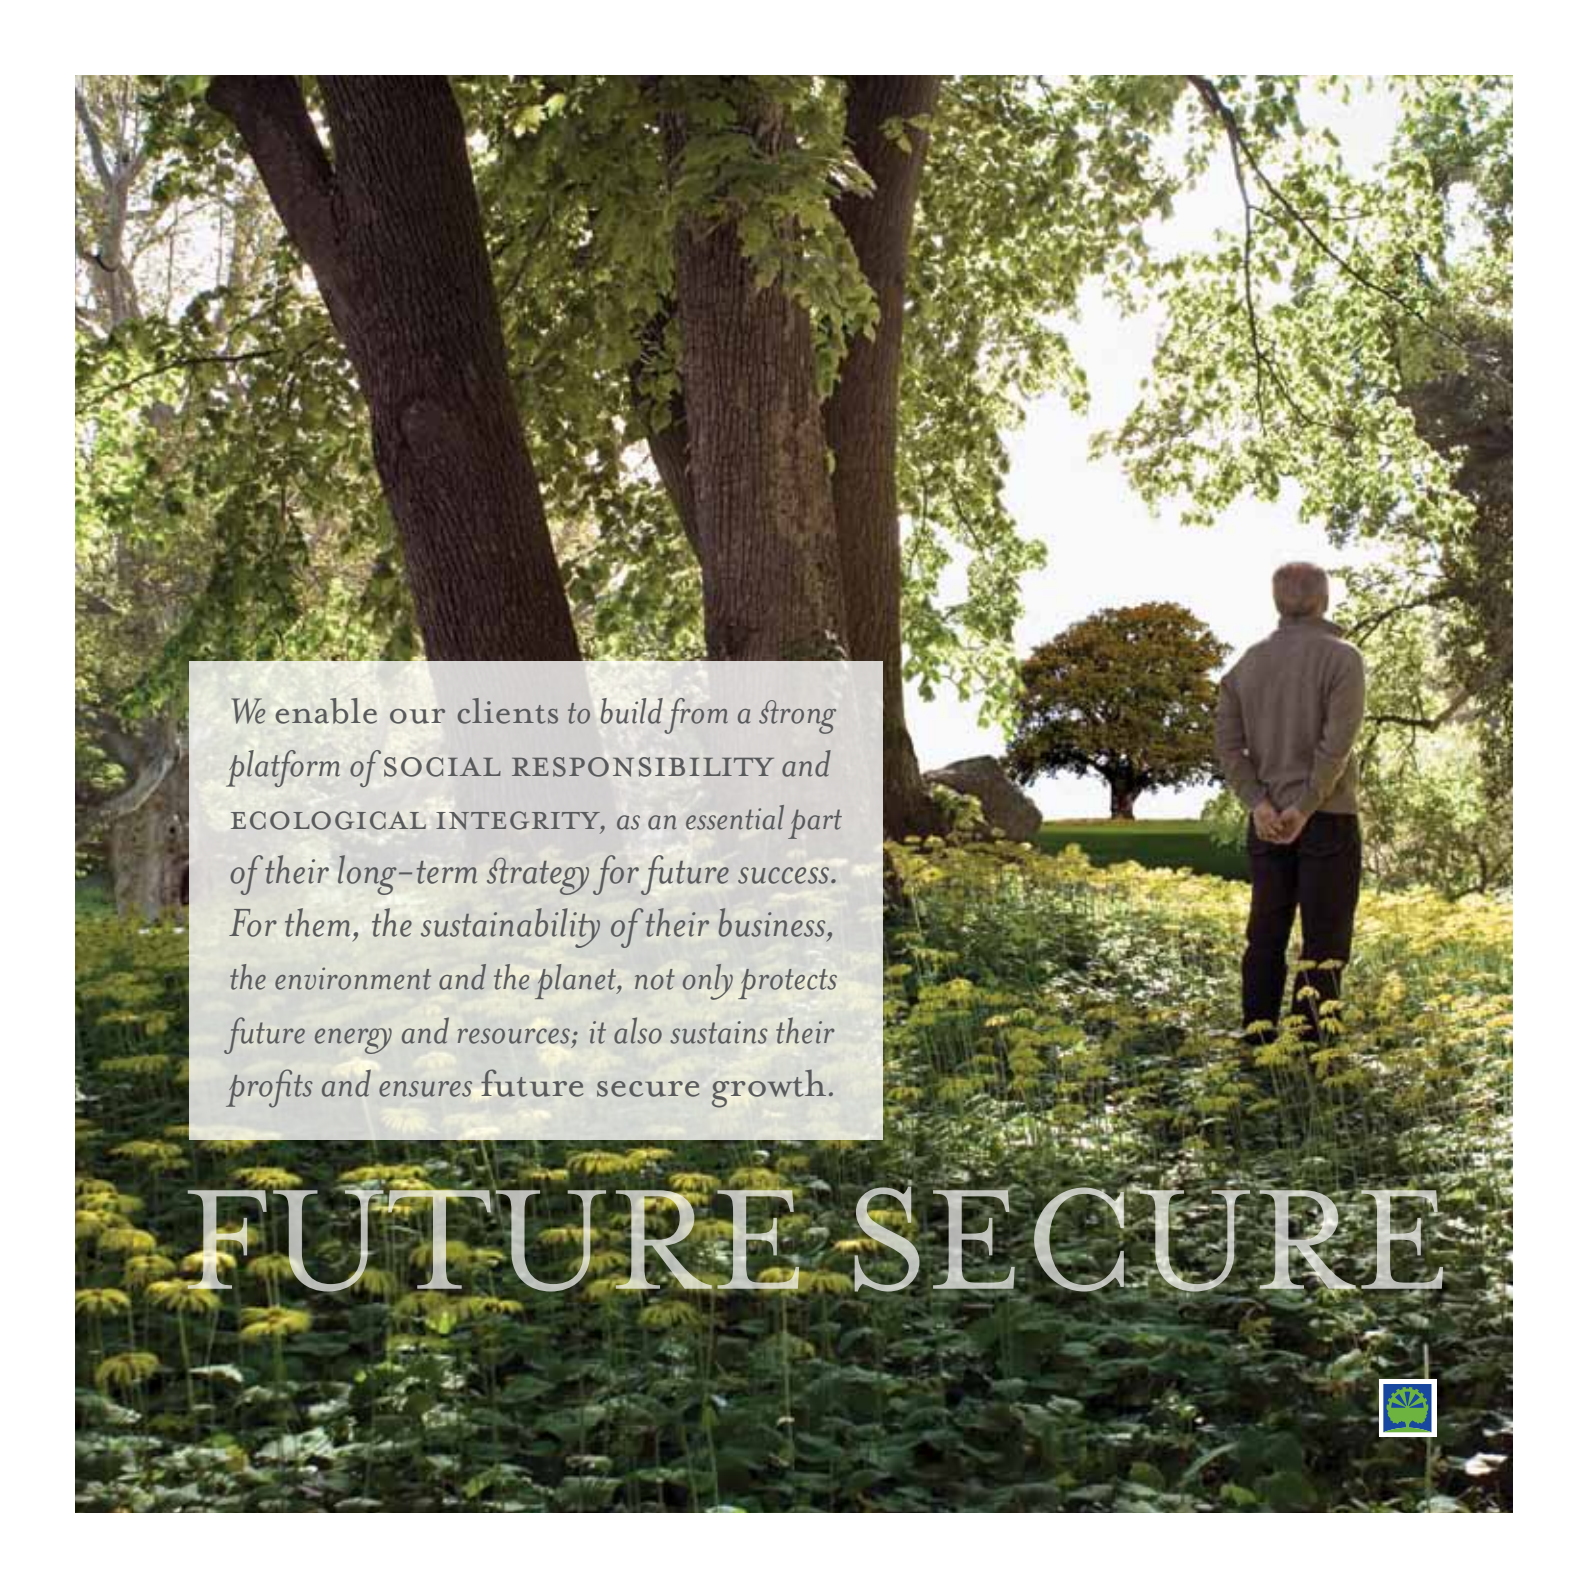

# RESPONSIBLE

*We are COMMITTED to improving our clients' environmental reputation, maintaining their corporate ethics, and minimising any potential risks, by helping them to fulfil all social and legal requirements.*

A man in a grey sweater and dark pants stands with his back to the camera in a field of yellow flowers. He is looking towards a large, leafy tree in a forest. The scene is bright and sunny, with green foliage and a clear sky.

*We enable our clients to build from a strong platform of SOCIAL RESPONSIBILITY and ECOLOGICAL INTEGRITY, as an essential part of their long-term strategy for future success. For them, the sustainability of their business, the environment and the planet, not only protects future energy and resources; it also sustains their profits and ensures future secure growth.*

# FUTURE SECURE

# STRATEGIC

*Our strategy is simply to DELIVER more CHOICE and OPPORTUNITY for our clients, from a fully integrated, multi-faceted environment that has their future in mind. The strategic fields in which we operate, deliver innovative, sustainable and comprehensive solutions, and quality management programmes that will keep our clients 'fit for the future'.*

# COMMITTED

We are COMMITTED to the following principles;

- A PRAGMATIC and HOLISTIC approach
- IMPARTIALITY - decision-making is unprejudiced, objective & factually based
- OPEN COMMUNICATIONS with clients, partners and stakeholders at all times
- All CUSTOMER DATA, information and insight is kept **strictly confidential**

*When consulting our clients, we take a creative and PROPRIETARY view.*

*Our experienced team knows that there are no 'one size fits all' solutions out there —that means every challenge is a unique case and needs a bespoke solution. Whether you like it or not, you're special!*
